## HVAC-R COPPER TUBE AND FITTINGS

### INTRODUCTION

#### Wrot and Cast Copper Fittings

In 1930, Mueller invented and pioneered the now famous Streamline solder type copper fitting. This development led to making all copper plumbing the standard of the industry. Today, Mueller offers one of the industry's most complete lines of copper products from one source. Included are wrot and cast pressure and DWV fittings. Mueller's many years of engineering know-how and experience are reflected in the fine quality and workmanship of each copper fitting.

- Meets applicable ANSI/ASME standards: B16.22, B16.29, B16.18, B16.15, B16.26, B16.24, B16.23
- NSF Approved
- Made in the USA
