

Introducing ECCO Manufacturing's New Boots with Damper

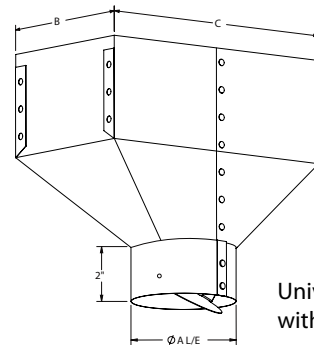

- **Time and Labour Saving**
Damper is already installed
- **Convenience**
Built in dampers mean easier air balancing
- **Optimal Performance**
Less connections to seal for air tight duct work

Since 1960

ECCO Supply™ is one of Canada's largest distributors of Heating, Ventilation, Air Conditioning, and related products.

Partnering with top manufacturers in our industry enables us to offer an extensive selection of the best products available to meet the needs of our customers. We provide complete HVAC solutions, including residential, commercial, industrial and institutional estimating, plan and spec, and custom metal fabrication departments. Our staff is fully trained, knowledgeable, and ready to assist our customers with product information, recommendations and complete estimates on sheet metal and equipment. We are committed to providing superior service, and our goal is to always exceed our customers' expectations.
