ANNOUNCEMENT

**ECCO Thunder Bay is proud to be appointed
as Napoleon Fireplaces Distributor
for North-Western Ontario!**

World Recognition for Quality

Napoleon® has led the way with new and innovative patented technology: eco-friendly Wood Burning products, realistic natural gas burning fireplaces and some of North America's most advanced state-of-the-art technology.

Innovative engineering and design, advanced manufacturing techniques, dedicated customer service, outstanding product quality, and superior warranties distinguish Napoleon® from its competitors.

Contact your local ECCO Sales Representative for more information.
